[LEGAL NOTICE NO. 11]

**CUSTOMS ACT 1986**  
—————**APPROVED PORT OF ENTRY**

IN exercise of the powers conferred upon me by section 4(1) of the Customs Act 1986, I hereby appoint Port Denarau as a point of entry for yachts.

Port Denarau as an approved port of entry must comply with the following conditions—

- (a) the area must be secured with twenty four (24) hours security that keeps a report of movements on a daily basis;
- (b) CCTV cameras must be installed at strategic locations to enable a clear view of all movements;
- (c) the CCTV system must have the capability for offsite monitoring by the Fiji Revenue and Customs Service;
- (d) the port must have an electronic capturing system of all yacht movements, including crew changes or any other type of change to the yacht master, crew or ship stores and spares;
- (e) the electronic register must also keep a record of all movements of crew in and out of anchorage;
- (f) the port must comply with all relevant laws; and
- (g) the port must adhere to the requirements of other border agencies.

Dated this 10th day of February 2018.
