KIRIBATI RED CROSS ACT 1989

EXPLANATORY MEMORANDUM

The main object of this Act is to incorporate the Kiribati branch of the British Red Cross Society (which has been operating in Kiribati before and since independence as the Kiribati Red Cross Committee) as a corporate body with autonomous status as a means, among other things, of granting the Society recognition as a voluntary aid society auxiliary to the public authorities of Kiribati.

2. It is the ardent wish of the existing Red Cross Committee to apply to the International Committee of the Red Cross (I.C.R.C.) and similar international bodies for recognition as a National Red Cross Society.

3. When applying for such recognition, however, it will be necessary to submit to the ICRC, a copy of the appropriate governmental law granting the Society recognition as a voluntary aid society as mentioned in paragraph 1 above.

4. This Act therefore seeks -

- (a) in section 3, to establish the Kiribati Red Cross Society as a corporate body to which shall be transferred all assets and liabilities of the existing Red Cross Committee. All officers and other employees of the Committee shall also hold corresponding appointments in the Society.
- (b) in sections 4 and 5 to, among other things, provide for the establishment of a governing council which shall be the governing body of the Society and a management committee, as well as the adoption of a constitution which shall be the statutes of the Society;
- (c) in section 6, to spell out the objects of the Society;
- (d) in sections 7 and 8, to accord Government recognition to the Society as a voluntary aid society auxiliary to the Kiribati public authorities and assert the independent voluntary nature of the Society;
- (e) in section 9, to make provision for the protection of the emblems and certain designations of the Society from abuses and their use for unauthorised purposes;
- (f) in section 10, to prescribe penalties for the abuses and unauthorised uses of the Society's emblems and designations referred to in (e) above; and

(g) in section 11, to empower the Minister to make regulations for the purpose of giving full effect to the Act and for its due administration.
