**WORKMEN'S COMPENSATION (AMENDMENT) ACT NO. 3 of 1994**

**EXPLANATORY MEMORANDUM**

The main purpose of this Act is to amend sections 6 and 7 of the Workmen's Compensation Ordinance (Cap. 102) to increase the compensation payable in cases where death results and in cases of permanent total in-capacity.

This increase is necessary due to the inflation and increase in the cost of living since the ordinance came into force.

The amendment includes the Republic and it will particularly benefit Kiribati seamen and their dependents whose insurance benefits are linked to the benefits under the Workmen's Compensation Ordinance.

Minister of Commerce Industry & Employment
