TENDERS and/or applications, as applicable, are invited for the right to a lease or leases over the land or lands as described in the following advertisements on the terms and conditions as set out and subject to the provisions of the *Land Act* (Chapter 185).

*The attention of Tenders and Applicants is directed towards the following:—*

**Tenders.**—The upset price where shown below is the assessed unimproved value of the land, and its the minimum amount accepted as a tender. Tenders may be for any amount in excess of the upset price, but the successful tenderer will only be required to pay the difference between the upset price and the amount of tender.

*Example—*

	K
UPSET PRICE .....	2 000
VALUE OF ALLOTMENT TO TENDERER	800
AMOUNT TO BE STATED IN TENDER .....	2 800

If successful, K800 would have to be paid in this case. The highest or any tender will not necessarily be accepted.

**Fees:** All tenders and applications must be accompanied by an application fee which is as follows:

	K
Advertised and unadvertised urban land .....	10.00
Unadvertised rural land .....	10.00
Advertised rural land including Agricultural Settlement Schemes	5.00

If applying for blocks advertised under separate advertisement numbers, there must be a separate application or tender form and separate fees must be paid and, further, applicants or tenderers seeking more than one block from land offered in one advertisement must pay a separate fee for each allotment or portion required. Following the grant of a lease, an additional fee for the preparation of a lease document Thirty Kina (K30.00), the amount of tender less the upset price where applicable and if surveyed, the prescribed survey fee shall all be payable within two(2) months from the date of grant, i.e. from the date of gazettal of the recommended lease holder in the PNG *National Gazette*.

**Reference.**—Tenderers and applicants are advised to indicate preferences if there are more than one allotment or portion being advertised in any particular advertisement, but only one registration of application fee need be lodged if only one allotment or portion is required. If more than one allotment or portion is required, an additional fee for each such portion or allotment must be lodged.

**Tenderers and Applicants.**—Tenderers and applicants must state full name, occupation and postal address. If more than one person is tendering or applying, it must be stated whether joint tenancy or tenancy-in-common is required. If a company the full registered name and address of the company and that of its representative must be stated. A business name cannot hold land.

**Improvements.**—Excepted development in respect of agricultural leases is indicated in the respective advertisements, however, full proposals of proposed development shall be submitted by tenderers or applicants seeking other types of leases or larger

agricultural leases unless development is specified in detail in any particular advertisement. Where applicable development shall comply with the requirement of the Town Planning Act and the Building Regulations.

**Term of Lease.**—Unless otherwise indicated, each lease shall be for a term of ninety-nine (99) years.

**General conditions pertaining to Business Leases.**—Provided all other factors are equal, preference may be given to indigenous proposals, or proposals which contain a significant proportion of indigenous equity. In the event that a lease is recommended because of a proposal to include a significant portion of indigenous equity, the lease shall contain a clause requiring specific performance of the proposal within a time specified.

**General.**—All applications and tenders will come before the Land Board at a time and date which will be notified to all interested parties. It is advisable to appear in person or to have representation before the Land Board.

Applicants and Tenderers will be required to produce to the Land Board acceptable evidence as to possession of suitable experience and/or financial resources, as the case may be, for the development of the land. Tenderers and applicants are advised to inspect the land before applying or tendering. All cases are subject to the excision of any necessary water supply, sewerage, drainage and electricity pole staywire easements and agricultural leases to the excision of any necessary road easements.

Where a lease has not been surveyed, leases will be issued as "Subject to Survey".

*The attention of public servants intending to apply for an Agricultural or Business Lease is directed to the following:*

A lease will not be granted by the Land Board unless:

- The Public Servant resigns from the Public Service within two (2) months from the start of the lease; or
- Approval has been given under Public Service Regulation No. 25 to hold land.

**Note:** Unless there are very special reasons, the Public Service Commission will only grant approval under Section 25 of the Public Service Regulation if they retire within six (6) months from the start of the lease.
