Conditions of Registration—Toba Pty. Ltd.

1. The registration of the Enterprise shall be granted for a period of 15 years commencing on the date of registration ("the date of commencement").

2. The right to carry on business in an activity in respect of which the Enterprise is registered may be terminated or suspended by the Minister by not less than one year prior written notice to the Enterprise. Such notice shall not be given before the second anniversary of the date of commencement.

3. The Enterprise shall not without the prior approval of the Minister establish a place of business in any location in Papua New Guinea other than National Capital District and Morobe Province.

4. The Enterprise shall keep all its books of account and other financial records in Papua New Guinea in the English language.

5. The Enterprise will comply with all and any obligations and conditions relating to the training of citizens and the localisation of its staff (including both employees and officers of the Enterprise) which may from time to time be laid down by the Secretary for the Department of Labour and Employment (or any other Department which succeeds to the functions of that Department) or prescribed or declared under the *Employment of Non-Citizens Act* (Chapter 274) or any other Act in force from time to time dealing with training and localisation of staff.

6. The Enterprise shall guide and assist Papua New Guinea enterprises in activities ancillary to the registered activities.

8. The Enterprise shall at all times conduct its operations in such a way as to minimise deleterious effects on the environment and shall abide by any reasonable standards specified by the Minister responsible for environmental matters.

The Enterprise should note that Sections 4(3) and 5 of the *National Investment and Development Authority Act* (Chapter 120) provide that NIDA registration in respect of a particular activity does not of itself relieve the Enterprise from compliance with any other law and no condition of registration confers on an enterprise any right or privilege in relation to a matter that is the subject of any other law.
