NOTICE OF ISSUE OF NEW 10 KINA POLYMER BANKNOTE

I, L. Wilson Kamit, Governor of the Bank of Papua New Guinea, by virtue of the powers conferred by the *Central Banking Act 2000* Section 61(2), hereby give notice of the forthcoming issue of the new K10 Polymer Banknote.

This banknote retains all the design elements and size of the paper banknote, however, it incorporates advanced security features to help protect it from counterfeiting. One significant modification is that it is a change from paper to polymer substrate. Other notable differences include the Bank of Papua New Guinea logo, appearing in the see through clear window at the front right side of the note.

The banknote will become legal tender when it is officially released into circulation on 13th July, 2000.

Dated this 6th day July, 2000.

L. W. KAMIT,
Governor.
