SHIPPING (REGISTRATION) REGULATIONS 2002

In exercise of the powers conferred by section 206 of the Shipping Act (CAP. 136) the Minister of Marine and Ports, with the consent of Cabinet, makes the following Regulations.

1. Title

These Regulations may be cited as the Shipping (Registration) Regulations 2002.

2. Interpretation

(1) In these Regulations, unless the context otherwise requires

"Act" means the Shipping Act (CAP. 136);

"Approved surveyor" has the same meaning as in the Act;

"IOPP Certificate" means an International Oil Pollution Prevention Certificate issued under Regulation 5 of Annex I of MARPOL 73/78;

"Person", "Qualified Person", "Approved Person" and "Eligible Person" have the same meaning as in the Act;

"Ship" and "Vessel" have the same meaning as in the Act;

"Secretary" means the Secretary for Marine and Ports;

"Registrar", "Registry" and "Register" have the same meaning as in the Act;

"Underlying Register" has the same meaning as in the Act.

(2) In these Regulations a reference to a Form by number is a reference to the Form so numbered in the Third Schedule of these Regulations.

3. Application

(1) These Regulations shall apply to all vessels required to be registered under section 8 of the Act.

(2) Pursuant to section 13 of the Act, a vessel shall not be registered unless and until there has been filed with the Registrar -

- (a) the International Tonnage Measurement Certificate of the vessel;
 - (b) (i) a Certificate of Survey on Form 4, providing evidence that the vessel is currently in class with one of the classification societies contained in the First Schedule;
 - (ii) in the case of vessels under 500 gross tonnage, a current survey report from a surveyor acceptable to the Secretary, providing evidence that the vessel is in a seaworthy condition for the intended trade.
 - (c) a Certificate of Survey providing evidence of compliance with the International Maritime Conventions contained in section 3 of the Act; or
 - (d) an equivalent to the above documentation as approved by the Minister.
- (3) Vessels may only be registered by Qualified Persons, Approved Persons, and Eligible Persons.
 - (4) The Minister may accept certificates of survey issued by a recognized classification society.

4. Tonnage Measurement

- (1) Where applicable, the tonnage of a vessel to be registered shall be ascertained in accordance with the Tonnage Convention, listed in section 3(2) (e) of the Act, as amended from time to time.
- (2) The owner or master of a vessel to be measured shall –
 - (a) make the vessel available for measurement by an approved surveyor; and
 - (b) afford all necessary facilities for its inspection and measurement by that surveyor.
- (3) The owner or master of a vessel shall produce for a surveyor's use and retention any plans, drawings, specifications and other documents the surveyor may require.

5. Tonnage Certificates

- (1) In the case of a vessel to which the Tonnage Convention applies, a tonnage certificate shall be in the Form No. 5.
- (2) In any other case, a tonnage certificate shall be on Form No. 6.

6. Marking of vessel

- (1) A vessel shall be marked in accordance with the Carving and Marking Note issued by the Registrar on Form No. 8 –
 - (a) on each side of its stem with its name;
 - (b) on its stern with the name of the Port of Registry below its name;
 - (c) on each side of its stem and on each side of its stern by a scale of decimetres, or of metres and decimetres, denoting its draught; and
 - (d) on its main beam with its official number and gross tonnage.
- (2) The marking referred to in sub-paragraphs (1)(a) and (b) shall be in white or yellow letters on a dark ground, or black letters on a light ground, being letters of a height of not less than 10 centimetres, of proportionate breadth and of 2 centimetres in thickness.
- (3) The marking referred to in sub-paragraph (1)(c) shall be in white or yellow figures on a dark ground, or black figures on a light ground, being figures that are
 - (a) welded on or cut into the vessel;
 - (b) of a length of 120 centimetres and of proportionate breadth; and
 - (c) in metres and centimetres - at each metre interval and at each intervening 20-centimetre interval.
- (4) In the case of a figure denoting the scale of draught of a vessel –
 - (a) the capital letter "M" must be placed after each metre figure;
 - (b) the top most figure of the scale must show –
 - (i) the metres; and
 - (ii) except where that figure marks a full metre interval - the 10 centimetre intervals denoted by the figure; and
 - (c) the lower line of each figure must coincide with the draught line denoted by each figure.

- (5) An approved surveyor shall inspect the vessel and complete the Carving and Marking Note and the owner of the vessel shall return the certified Carving and Marking Note to the Registrar.

7. Application for registration by a Qualified Person

- (1) An Application for Registration of a vessel shall be made on Form No. 1.
- (2) Subject to paragraph (3), an application must contain or be accompanied by –
- (a) (i) particulars and a description of the vessel;
 - (ii) the tonnage of the vessel;
 - (iii) particulars of previous registration, if an existing vessel;
 - (iv) the name of the owners of the vessel proposed to be registered;
 - (v) a Declaration of Appointment of Agent on Form No. 12, if an agent is appointed; and
 - (vi) a certificate signed by the builder of the vessel containing information listed in regulation 8;
- (b) a list of not less than 3 alternative names, on Form No. 7, numbered in order of preference, under which the vessel is sought to be registered;
- (c) a declaration of a Qualified Person on Form No. 3;
- (d) evidence that the vessel is in a seaworthy condition;
- (e) if the vessel has been registered under a law of a country other than Tonga, evidence that registration in that country has ceased; and
- (f) evidence by Bill of Sale on Form No. 9 that the applicant is the owner of the vessel.
- (3) If a certificate referred to in sub-paragraph (2)(a)(vi) cannot be obtained, the applicant shall –
- (a) make a declaration to that effect; and
 - (b) attach the declaration to the application.

8. Builder's Certificate

- (1) Subject to paragraph (2), a Builder's Certificate in relation to a vessel shall be on Form No. 2, be signed by the builder of the vessel and include the builder's identification number of the vessel.
- (2) Where a vessel has been built in stages by more than one builder -
 - (a) a Builder's Certificate in relation to the vessel may consist of several documents in accordance with paragraph (1) of this Regulation, each of which relates to one or more of those stages; and
 - (b) a Builder's Certificate that relates to all of those stages, or a document referred to in paragraph (a) that relates to more than one of those stages, shall be duly signed by all of the builders responsible for the building work carried out in those stages.
- (3) Without limiting the generality of paragraph (2) of this Regulation, where a vessel that is the subject of an application for registration has been altered (whether by the builder or by another person) after its completion, the vessel shall be taken, for that paragraph, to have been built in stages by more than one builder.

9. Declaration of Qualified Person

- (1) "qualifying interest" means ownership of the number of shares in the ship.
- (2) Every Qualified Person desiring to be registered as the owner or to register a share in the ownership of a vessel, shall complete a declaration that they are entitled to own a vessel and be registered as owner of the vessel or a share of the vessel, which shall -
 - (a) specify the name and official number of the vessel to which it relates;
 - (b) specify each person to whom the vessel belongs and -
 - (i) the address and nationality of that person;
 - (ii) evidence of the nationality so specified;
 - (iii) the particular qualifying interest and annex a copy of the document evidencing that qualifying interest; and

- (c) be duly signed by each person specified in sub-paragraph (b) of this Regulation; and may consist of several documents in like form that together contain the information required by sub-paragraphs (a) and (b).
- (3) A Declaration of Qualified Person for the purpose of this Regulation shall be made on Form No.3.

10. Regulation of vessels required to be registered

- (1) In this Regulation "vessel" means a vessel required to be registered under section 8(1) of the Act.

- (3) On presentation of the completed Form 10 to the Registrar and payment of the prescribed fee shall register the mortgage and enter the date and time.

20. Recording of Maritime Liens

- (1) Pursuant to Section 32 of the Act the Registrar shall record any maritime lien by making an entry in the Register of -
 - (a) the name and address of the lien holder for service of notice or documents;
 - (b) the nature of the claim;
 - (c) the person against whom the claim is made and the name of the vessel against which the lien is enforceable;
 - (d) the date of the event which gave rise to the claim; and
 - (e) the particulars of the action giving rise to the lien against the vessel.
- (2) The documents referred to in paragraph (1) shall be open to public inspection and extracts from the Register and copies of such instruments shall be obtainable from the Registrar.
- (3) Where a claim against the owner, demise charterer, manager or operator is secured by a maritime lien on the vessel, the lien holder continues to exercise the right to attach a maritime lien to the vessel to secure claims irrespective of recording, provided title in the vessel has not passed.
- (4) The Registrar shall register a maritime lien on payment of the fee in the Second Schedule.
- (5) A registered maritime lien shall continue to be enforceable against the vessel and follow the vessel, notwithstanding any change in ownership or of registration or of flag, until the claim is satisfied or the lien has expired by lapse of time.

21. Ranking and effect of Liens

- (1) The Registrar shall register maritime liens in the order in which they are presented to him.
- (2) A registered maritime lien shall rank in priority as against other maritime liens, irrespective of the date of occurrence, according to the following categories:
 - (a) claims for wages and other sums due to the master, officers, and other members of the vessel complement in respect of their employment on the vessel, including costs of repatriation and social insurance contributions payable on their behalf;
 - (b) claims in respect of loss of life or personal injury occurring, whether on land or on water, in direct connection with operation of the vessel;
 - (c) subject to regulation 23, claims for reward for salvage of the vessel;
 - (d) claims for port, canal, and other waterway dues and pilotage dues;
 - (e) claims based on tort arising out of physical loss or damage caused by the operation of the vessel other than loss of or damage to cargo, containers and passengers' effects carried on the vessel.
- (3) Subject to paragraph (2) of this Regulation, where there is more than one of the same category of maritime lien recorded in respect of the same vessel, the liens are, irrespective of any express, implied, or constructive notice, entitled in priority one over the other of the same category, according to the date and time at which each lien is delivered to the Registrar and recorded, and not according to the date of occurrence giving rise to the lien.
- (4) No maritime lien shall attach to a vessel to secure claims as set out in sub-paragraphs (b) and (c) of paragraph 2 which arise out of a result from damage in connection with the carriage of oil or other hazardous or noxious substances by sea for which compensation is payable to the claimants pursuant to legislation providing for strict liability and compulsory insurance or other means of securing the claims.

- (5) A maritime lien shall be extinguished after a period of one year from the date of the event giving rise to the lien.

22. Priority of Maritime Liens

- (1) The maritime liens set out in paragraph (2) of regulation 21 shall rank in the order listed, provided that maritime liens securing claims for reward for the salvage of the vessel shall take priority over all other maritime liens which have attached to the vessel prior to the time when the operations giving rise to the liens for reward for the salvage of the vessel were performed.
- (2) Where a maritime lien securing a subsequent claim for salvage exists, the maritime liens set out in each of the categories described in sub-paragraphs (a), (b), (d), and (e) of paragraph (2) of regulation 21 shall rank equally without preference as between themselves.
- (3) The maritime liens securing claims for reward for the salvage of the vessel shall rank in the inverse order of the time when the claims secured thereby accrued. Such claim shall be deemed to have accrued on the date on which each salvage operation was terminated.
- (4) The maritime liens set out in regulation 21 (2) shall take priority over registered mortgages and other charges, and no claim shall take priority over such maritime liens or mortgages or charges except where -
 - (a) in the event of a forced sale of a stranded or sunken vessel following its removal in the interest of safe navigation or the protection of the marine environment, the costs of such removal shall be paid out of the proceeds of the sale before all other claims secured by a maritime lien on the vessel; or
 - (b) at the time of the forced sale the vessel is in the possession of a shipbuilder or of a vessel repairer and the right of retention exists, such shipbuilder or vessel repairer shall surrender possession of the vessel to the purchaser but is entitled to obtain satisfaction of his claim out of the proceeds of sale after the satisfaction of the claims of holders of maritime liens mentioned in regulation 21 (2).

23. Statutory Liens

The following claims against the ship be statutory liens -

- (a) claims for work carried out at any port, harbour, roadstead or anchorage in connection with the loading or discharging of cargo or fuel, or the embarkation or disembarkation of passengers on or from a vessel;
- (b) claims for the provision of bunkers, claims for the provision of stores, victuals, fuel, towage, claims for goods, materials or services rendered in respect of the vessel;
- (c) claims for the construction, repair, maintenance or alteration of a vessel or to any part thereof or of the equipment, or for equipping a vessel; or
- (d) Claims for the enforcement of arbitral awards in respect of maritime claims, or claims for the enforcement of arbitral awards in respect of maritime claims, or claims for the enforcement of local or foreign admiralty judgements in rem;

and may be recorded in the same manner as other maritime liens.

Provided that such statutory liens -

- (i) shall be subject to the maritime liens set forth in regulation 21(2) that have been recorded, assigned or subrogated, or exist at the time of a forced sale;
- (ii) shall be extinguished;
 - (aa) after a period of 6 months, from the time when the claims secured thereby arose unless, prior to the expiry of such period, the vessel has been arrested or seized, such arrest or seizure leading to a forced sale; or
 - (bb) at the end of a period of 60 days following a sale to a bona fide purchaser of the vessel, such period to commence on the date on which the sale is registered;

whichever period expires first; and

- (iii) shall rank after the maritime liens set out in regulation 21(2), and also after registered mortgages, or other registered charges.

24. Discharge of maritime Liens

Upon being notified by the lien holder in writing of the satisfaction of the lien, the Registrar shall make an entry in the Register that the maritime lien had been discharged.

25. Extinction of Maritime Liens by lapse of time

- (1) The maritime liens set out in regulation 21(2) shall be extinguished after a period of one year unless, prior to the expiry of such period, the vessel has been arrested or seized, such arrest or seizure leading to a forced sale.
- (2) The one-year period referred to in paragraph (1) shall commence
 - (a) with respect to the maritime lien set out in regulation 21(2)(a), upon the claimant's discharge from the vessel;
 - (b) with respect to the maritime lien set out in regulation 21(2)(b) to (c), when the claims secured thereby arise;

and shall not be subject to suspension or interruption provided that time shall not run during any period that the arrest or seizure of the vessel is not permitted by law.

- (3) The Registrar shall, when the lien is extinguished by lapse of time, strike out the recorded lien.

26. Notice of Forced Sale

- (1) Prior to a forced sale of a vessel, the Registrar shall provide notice of the sale to -
 - (a) the authority in charge of the register in the State of registration;
 - (b) all holders of recorded liens and registered mortgages, provided that the competent authority conducting the forced sale receives notice of the respective claims; and
 - (c) the registered owner of the vessel.
- (2) Such notice shall be provided 30 days prior to the forced sale and shall contain -
 - (a) the date, time and place of the forced sale and particulars of the forced sale or proceedings leading to the forced sale; or

(b) if the date, time and place of the forced sale cannot be determined with certainty, not less than 7 days prior to the forced sale, the anticipated place of the forced sale and particulars of the forced sale.

(3) Notice shall be -

- (a) in writing;
- (b) given by registered mail;
- (c) by any electronic or other appropriate means; or
- (d) given by publication in a Tongan newspaper or such other publication as is necessary.

27. Effects of Forced Sale

(1) In the event of a forced sale, all recorded liens, claims for reward of salvage of the vessel, registered mortgages and other charges, except those assumed by the purchaser with the consent of the holders, and all liens and other encumbrance of whatsoever nature shall cease to attach to the vessel provided that;

- (a) at the time of the sale, the vessel is within Tonga;
- (b) the sale has been effected in accordance with the Laws of Tonga; and
- (c) the requirements of regulation 26 have been complied with.

(2) After the vessel is sold, the proceeds of the sale be allocated in the following priority;

- (a) to costs and expenses arising out of the arrest or seizure and subsequent sale of the vessel namely -
 - (i) costs for the upkeep of the vessel;
 - (ii) costs for the upkeep of the crew;
 - (iii) crew wages and other costs referred to in 2(a) above incurred from the time of arrest or seizure;
- (b) to any claims secured by liens both recorded and not recorded, claims for salvage, mortgages or other charges or other charges against the vessel;
- (c) to the owner of the vessel.

- (3) Where a vessel registered in Tonga is the subject of a forced sale, the Supreme Court may upon application by the purchaser order that the vessel is sold free of all liens, mortgages or other charges, except those assumed by the purchaser.
- (4) Upon production of such Order the Registrar shall delete all liens, mortgages or other charges, except those assumed by the purchaser, and register the vessel in the name of the purchaser, or issue a certificate of deregistration for the purpose of new registration, as the case may be.

28. Forms to be used

The forms in the Third Schedule shall be used in respect of applications, transactions or declarations where required by the Regulations.

29. Other Procedures

The Minister may prescribe procedures for-

- (a) Provisional Registration of vessels outside Tonga;
- (b) the issuance of Safe Manning Certificates;
- (c) the issuance of a Ship's Radio Station Licence;
- (d) the issuance of Exemption Certificates;
- (e) any other statutory certificates.
