MNAK.

Clerk: Juesaw

Dated: 06/0/57

Plaintiff — MV Ben Manbow

And.

Defendant — MV Issac Jodah.

Plaintiff: My claim refers to unpaid wages
against MV Issac Jodah Health
District supervisor, since the year 1955.
Since the 17/4/55 I was replaced by
staff nurse SN Veronique to
15/5/55. That's about 21 working
days.

Since then, I've never been
received an amount of 123.000
for 21 working days.

I was informed that the amount of
123.000 had been paid by SPV
N. 212547 on the 15/12/55 but

never I received that amount.

So I pray, that Mr Judah must receive the amount of N23,000, may I ask the Honorable Court to assist me on the matter.

Defendant's fact: I am not responsible of the payment of N23,000 to Mr Refudab Ben Manison.

Mr Ben Manison was employed by the Committee of Acajton Health Centre but not me.

I get information from staff nurse Veronica that she'll be on leave and she ask Mr Ben to replace her and he then agreed.

So my letter dated 10/4/88 as a recommendation to what staff nurse Veronica informed me to allow Mr Ben to work or replace her.

But the salary will be paid by the committee which supervisor that enter.

I can't pay Mr Ben. The name (Ben) was proposed by staff nurse and been approved by committee respectively.

I'm not entitled to pay the amount of N23,000.

He had a evidence to prove to the Court.

He enclosed a letter which explained a GPU 212547 of 1722.00.

That a imprest money for the town.

Then I've been prepared and sent to Vila for Re-imboursement.
