13. Requirements for business premises – With respect to a factory, workroom, shop, office, warehouse or other business place in which persons are employed, the following provisions apply:

(2) Despite subsection (1), the Chief Executive Officer shall not, except by direction of the Minister, issue a closing order under this section unless he or she has first served on the owner or occupier a notice calling on him or her to effect or carry out any repairs, alterations, or works specified in that notice within a specified time and that notice has not been complied with.

(4) A person who makes default in complying with any order made under subsections (1) to (3) is liable to a fine not exceeding 1 penalty unit for each day on which the default occurs.
